See the payment policy on the next page

Date ..... Signature .....

Although your paper was not selected to be part of the program of WISTP 2007, we think that your work is very interesting. Thus, we have offered you the possibility to present it as *poster*. If we would prefer that authors will attend the workshop to present their work, we know that it is difficult to justify the cost of coming to the workshop for a poster. Thus we would like to offer you another possibility to present your work. If you cannot attend the workshop for such financial restrictions, the above registration package will enable you to have your poster displayed at the workshop and to receive at your postal address the bag and the proceedings of the workshop. ***It is your responsibility to provide us the poster on time*** for exhibition (in ISO A1 format). Send it at the following postal address:

*Angelos Bilas*  
*FORTH-ICS*  
*P.O. Box 1385*  
*Heraklion GR-71110, Greece*

1. Send or fax an evidence (e.g., copy of student card, certificate of the University registration).

2. "Poster without presence of the authors" registration fees includes bag and proceedings sent to postal mail address and the exhibition of the poster during the breaks.

3. If you are member of ACM, IEEE or IFIP, please fill the related fields.
